Management Agreement: The Association is obligated under a management agreement for certain management and administrative services. The contract calls for the management company to oversee operating activities in return for a fee of 15% of budgeted maintenance fees exclusive of reserves and management fee expense. The contract is renewable automatically every three year period and can be terminated at any time by consent of 66% of votes cast by all time share unit owners, provided such votes represent at least 50% of eligible votes.

Related Party Transactions: A company, Shoreline Resorts, Inc. (Shoreline), is the successor to the developer and holds units in inventory for resale. Units returned to the Association through foreclosure and other actions are sold under an agreement with Shoreline. Shoreline does pay maintenance fees on these units.
